

Toyota Land Cruiser Prado , 2023

Toyota Land Cruiser Prado TX L Package 2.7 Petrol 4WD - 02/2023

General Overview

The Toyota Land Cruiser Prado TX L Package is a full-size SUV that blends durability, comfort, and advanced technology. Finished in **Black**, it delivers a bold and commanding presence, making it an excellent choice for families, long-distance travel, and outdoor adventures.

Performance and Driving Dynamics

Powered by a **2.7-liter petrol engine producing 163 horsepower**, this Prado ensures smooth and reliable performance. The **4WD drivetrain** combined with automatic transmission offers excellent traction, stability, and adaptability across various terrains, from highways to off-road trails.

Interior and Comfort

Inside, the TX L Package provides a refined experience with **spacious seating for 7 passengers**, high-quality materials, and practical convenience features. Highlights include **power-adjustable seats, rearview monitor, multifunction steering wheel, and premium upholstery**. The flexible interior layout supports both passenger comfort and cargo needs.

Technology and Safety

This Prado comes with **Toyota Safety Sense (TSS)**, enhancing driver confidence through advanced safety functions. Features include **lane-keep assist, blind spot monitoring, multiple airbags, and parking sensors**. It is also equipped with **factory SD navigation, TV, Bluetooth connectivity, and rear camera**, ensuring safety and modern convenience.

Exterior Design

The exterior styling emphasizes Prado's rugged yet premium character, with **alloy wheels, roof rails, and LED headlights** providing both function and sophistication. The TX L Package further enhances the SUV's presence, making it ideal for those who want practicality without compromising on style.
