

Toyota BZ4X , 2023

Toyota bZ4X Z - 04/2023

General Overview:

The **2023 Toyota bZ4X Z** is a premium electric SUV that combines advanced technology, stylish design, and eco-friendly performance. Finished in a sleek **Black exterior**, this model is equipped with features like a **Smart Key**, **LED headlights**, and a **14-inch multimedia system**, offering a modern and convenient driving experience.

Performance and Efficiency:

The **Toyota bZ4X Z** is powered by a **71.4 kWh lithium-ion battery**, delivering an estimated range of up to **516 km** on the WLTP cycle. The vehicle offers both **front-wheel drive (FWD)** and **all-wheel drive (AWD)** configurations, providing flexibility to suit different driving needs. The bZ4X Z is designed to offer a smooth and responsive driving experience, with quick acceleration and efficient energy usage.

Interior and Features:

Inside, the **Toyota bZ4X Z** offers a spacious and modern cabin that can comfortably accommodate up to **5 passengers**. The interior features a **14-inch multimedia system** with **navigation**, **TV functionality**, and a **360-degree camera**, providing easy access to entertainment and enhanced visibility while driving. The cabin also includes **black leather upholstery**, adding a touch of luxury to the interior.

Safety and Driver Assistance:

The **2023 Toyota bZ4X Z** comes with a range of advanced safety features, including **adaptive cruise control**, **lane departure warning**, **collision prevention systems**, and multiple airbags. The **360-degree camera** enhances driver awareness, while the **LED headlights** provide improved visibility, ensuring a safer driving experience.

Exterior Design:

The **bZ4X Z** features a bold and futuristic design. The **Black exterior** gives the vehicle a dynamic look, while the **20-inch wheels**, **darkened rear glass**, and **panoramic sunroof** add to its sporty and refined appearance. The vehicle's sleek lines and **M Sport body kit** further enhance its modern aesthetic.
