

Toyota Alphard , 2024

Toyota Alphard 2.5 Z 2024 - Black

General Overview:

The **2024 Toyota Alphard 2.5 Z** is a luxury minivan that blends high performance, advanced technology, and superior comfort. Finished in a sleek **Black exterior**, this model offers a refined and sophisticated look, perfect for those seeking both luxury and practicality. The **Alphard 2.5 Z** comes equipped with a range of high-tech features, including a **14-inch DA Navi system**, **360-degree camera**, and **3-eye LED headlights** on both sides, ensuring excellent visibility and a modern, stylish appearance.

Performance and Efficiency:

Under the hood, the **2024 Toyota Alphard 2.5 Z** is powered by a **2.5-liter 4-cylinder engine**, delivering **182 horsepower** and **243 Nm of torque**. The engine is mated to a smooth **CVT transmission**, offering a balance of power and fuel efficiency. This minivan is designed to provide a comfortable driving experience, with a focus on smooth acceleration and quiet performance, making it perfect for both city and long-distance driving.

Interior and Features:

Inside, the **Toyota Alphard 2.5 Z** features a spacious, luxurious cabin that comfortably accommodates up to 7 passengers. The interior is equipped with **high-quality materials**, including **Perforated Leather seats** and **wood and metal accents**, adding a premium feel throughout. The **14-inch DA Navi system** integrates with **TV capabilities** and provides easy navigation, entertainment, and media connectivity. The **360-degree camera** ensures ease of parking and maneuvering, while the **electrically adjustable seats** and **panoramic glass sunroof** add convenience and an elevated sense of luxury.

Safety and Driver Assistance:

The **2024 Alphard 2.5 Z** comes with a range of advanced safety features, including **lane departure warning**, **pre-collision system**, and **adaptive cruise control**, ensuring the driver's safety at all times. The **360-degree camera** further enhances driver awareness, helping prevent accidents when parking or maneuvering. The vehicle also comes equipped with multiple airbags, stability control systems, and advanced braking technologies for added peace of mind.

Exterior Design:

The **Alphard 2.5 Z** stands out with its bold **Black exterior finish**, which is complemented by **3-eye LED headlights** on both sides for a distinctive look. The **20-inch wheels** add to its commanding presence, while the **darkened rear glass** enhances privacy and adds a sleek appearance. The **M Sport body kit** and **panoramic glass sunroof** provide a sporty and refined design, perfect for both urban and long-distance travel.
