Toyota Land Cruiser 300 , 2024

Toyota Land Cruiser 300 ZX 3.4L V6 Twin-Turbo 4WD – 07/2024

General Overview

The Toyota Land Cruiser 300 ZX represents the flagship of the Land Cruiser lineup, combining **luxury, cutting-edge technology, and robust off-road capability**. This example, finished in **White Pearl Crystal Shine**, has only **300 km mileage** and is in **like-new condition**. It offers unmatched refinement while maintaining the Land Cruiser's legendary durability.

Performance and Driving Dynamics

Equipped with a **3.4-liter V6 Twin-Turbo petrol engine producing 415 horsepower**, this ZX variant delivers strong and responsive acceleration. The **automatic transmission** combined with Toyota's advanced **4WD system** ensures maximum traction, stability, and control across all terrains, from highways to off-road trails.

Interior and Comfort

The cabin offers **luxury-grade comfort** with **genuine leather power-adjustable seats**, high-quality finishes, and an advanced infotainment system. Features such as a **roof rail, side steps, and factory floor mats** add practicality and convenience, while the spacious 5-seat layout enhances comfort for long-distance travel.

Technology and Safety

The Land Cruiser 300 ZX is equipped with Toyota's **latest driver-assistance and safety systems**, including advanced radar cruise control, blind spot monitoring, and multiple airbags. The infotainment system supports full navigation and connectivity, offering seamless integration into modern driving needs.

Exterior

The **White Pearl Crystal Shine finish** emphasizes elegance and prestige, while the ZX trim adds bold styling details. The body is in **pristine condition**, reflecting the extremely low mileage and careful storage. Distinctive proportions, LED lighting, and premium alloy wheels highlight the vehicle's **luxury SUV identity**.
