Volkswagen Golf Variant 1.5 eTSI - 08/2022

Exterior:

The **2022 Volkswagen Golf Variant 1.5 eTSI** is the practical estate (**wagon**) version of the iconic Golf, offering more space while retaining a sleek, modern design. The elongated roofline and extended rear emphasize its utility, while sharp **LED headlights**, a slim front grille, and sculpted bumpers add a sporty and refined look. The dynamic silhouette is complemented by **alloy wheels**, roof rails, and aerodynamic details that underline its versatility and elegance.

Performance and Efficiency:

The Golf Variant 1.5 eTSI is powered by a **1.5-liter 4-cylinder turbocharged petrol engine with mild-hybrid (MHEV) technology**, producing **150 hp (110 kW)** and smooth, responsive torque. The 48V mild-hybrid system assists during acceleration, enables seamless start/stop operation, and improves overall efficiency. Power is delivered through a 7-speed DSG dual-clutch automatic transmission to the front wheels. Average fuel consumption is around 5.2–5.7 L/100 km, making it both lively and economical for daily use and long trips.

Interior and Features:

Inside, the Golf Variant combines practicality with premium touches. The cabin offers generous room for passengers and luggage, thanks to the extended body. Rear seats fold flat to maximize cargo capacity, ideal for families or active lifestyles. The dashboard features a **10.25-inch digital cockpit** alongside an **8.25- or optional 10-inch central touchscreen** with **Apple CarPlay**, **Android Auto**, and navigation. Other comforts include dual-zone climate control, heated front seats, keyless start, and high-quality upholstery.

Technology and Safety:

Equipped with Volkswagen's **IQ.DRIVE** suite, the Golf Variant offers adaptive cruise control, lane keeping assist, blind spot monitoring, front assist with emergency braking, and traffic sign recognition. A rearview camera, front and rear parking sensors, and fatigue detection further enhance safety and driver confidence.
