

Volvo XC40 , 2022

Volvo XC40 Plus B3 - 12/2022

Exterior

This **Volvo XC40** comes in a striking **Fusion Red** color that highlights its modern Scandinavian design. The compact SUV body offers a bold stance with sharp lines and premium proportions. Its design is both stylish and practical, giving it a commanding presence on the road.

Performance and Driving Dynamics

The XC40 Plus B3 is equipped with a **2.0-liter mild-hybrid petrol engine**, paired with an automatic transmission and front-wheel drive. The engine produces around **163 hp**, ensuring a smooth, efficient, and responsive drive. Volvo's engineering provides stability, refined handling, and excellent comfort for both city commutes and longer trips.

Interior and Comfort

Inside, the XC40 blends minimalistic Scandinavian design with high-quality materials. It comes with **heated seats**, **leather steering wheel heater**, and **Google built-in navigation and infotainment system**. With spacious seating for 5 passengers and smart storage solutions, the cabin ensures both comfort and practicality.

Technology and Safety

Safety and technology are at the core of the XC40. This model features **Adaptive Cruise Control (ACC)**, **360° camera system**, collision mitigation system, ESC (Electronic Stability Control), parking sensors, and keyless start. It also offers ETC, power tailgate, and multiple driver assistance functions for enhanced convenience and protection.
