## Volvo XC40 Ultimate B4 AWD - 03/2024

### General Overview:

The **2024 Volvo XC40 Ultimate B4 AWD** is a luxury compact SUV that blends Scandinavian design with premium technology, practicality, and performance. Finished in **Onyx Black Metallic**, this top-tier "Ultimate" trim includes a full **new car warranty**, making it a worry-free option for discerning buyers. Its stylish proportions, sharp lines, and signature Thor's Hammer LED headlights give it a commanding presence on the road.

### Performance and Handling:

Powered by a **2.0-liter mild-hybrid turbocharged petrol engine** with **197 horsepower**, the XC40 B4 delivers smooth and responsive acceleration. Paired with an **8-speed automatic transmission** and **all-wheel drive (AWD)**, it offers both efficiency and traction across various conditions. The mild hybrid system enhances fuel economy and adds an extra layer of refinement during start-stop and low-speed driving.

### Interior and Features:

Inside, the XC40 exudes elegance and comfort. The cabin features **black leather upholstery** with contrast stitching, power-adjustable heated front seats, and a premium ambiance enhanced by ambient lighting. The **Harman Kardon premium sound system** delivers immersive audio quality, while the large portrait-oriented infotainment screen supports Google built-in, Apple CarPlay, Android Auto, and voice command.

### Exterior Design:

Sitting on stylish **19-inch alloy wheels**, this XC40 boasts a muscular yet compact stance. Details like high-gloss black mirror caps, a floating roof design, and silver skid plates add to its visual appeal. The **Onyx Black** finish enhances its sleek, modern character.

### Safety and Assistance Systems:

Volvo's legendary commitment to safety shines in the XC40 with features like **Pilot Assist**, **adaptive cruise control**, **lane keeping aid**, **blind spot monitoring**, and **rear cross traffic alert**. A 360-degree camera system and parking sensors further support ease of use in tight city spaces.
